## A White Kickoff ❄️

1/11/25 - This week, The Broncobots kicked off the season with the annual pancake breakfast where the team hosted over 150 community members. Thank you so much to everyone who was able to attend and the gracious donations to our annual silent auction! After this season's game was revealed the team began work, but due to the snowstorm, the decision was made to move virtual in the afternoon for the rest of day one. The next day with 8 inches of snow on the ground, The Broncobots were forced to adapt, continuing vital early season progress online until Friday.

## This Week @ The Shop

This week Broncobots got to work online and in person to get this season on the road. Prototype CADing, mechanism testing and so much more has begun. Special thanks to our dedicated field build crew, consisting of mentors and parents, who are working tirelessly to get field elements built and ready for prototype testing and robot practice.

# Broncobots Spotlight

## Ayden M.

**Years on the team:** 1

**Role on the team:** Manufacturing

**Biggest Project this season (so far):** Organizing the team's metal stock

**Fun Fact:** Wrote the Wikipedia page on *Wumpi*

## Preston S.

**Years on the team:** 3

**Favorite Subteam:** CAD

**Favorite Part of**

**Broncobots:**

Robot design

**Fun Fact:** Is really good at the VR Game BeatSaber

## Sponsor Shout-Out

Thank You so much to Venture for their continued support of our team! Their manufactured parts are vital to our team's on-field success and we truly could not do it without them!

## Calendar
