# The Broncobots Bulletin.

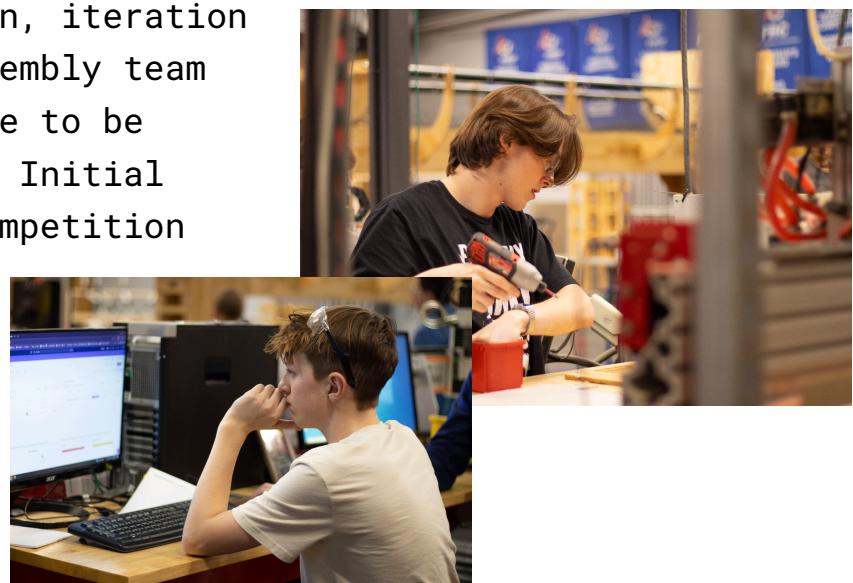

## Broncobots In The Community

2/08/25 - This week Broncobots had the opportunity to visit with new freshmen and their parents at Rising Freshman Night, where current 8th graders visit LSN to learn more about high school and build connections with teams and activities. We also attended Campbell Middle School's You Belong Event earlier this month; these events help us increase our community visibility as well as recruit the next generation of Broncobots. Thank you to everyone who stopped by!

## This Week @ The Shop

As the robot nears completion, iteration continues. This week our assembly team got to work as parts continue to be released from manufacturing. Initial programming has begun and Competition Role auditions came and went as the clock ticks down to the start of the ReefScape Competition Season!

# Broncobots Spotlight

## Student - Amelia H.

Years on the team: 1

Role on the team: Wiring

**Favorite Part of Broncobots:**

Learning how to use machines

**Fun Fact:** Does rock climbing

## Student - Chris S.

Years on the team: 3

**Subteam Focus:** Programming

**Favorite part of Broncobots:**

Competition environment

**Fun Fact:** Is an A/V Technician

## Sponsor Shout-Out

This week we would like to shout out Huddleston Machinery Moving! Our team was recently loaned a previously decommissioned CNC Mill. Huddleston graciously donated their time and service, moving the Mill to our shop. We are immensely grateful for their generosity!

## Calendar

- March 2nd: R-7 Alliance Open House
- March 6-8: Central Missouri Regional
- March 27-29: Greater Kansas City Regional
