Not Just Robots - A Force For Good!

The Broncobots proudly announce our annual R7-Alliance outreach event for Hope House! Per tradition, we are collecting items to benefit the charity that helps those affected by domestic violence. If you are interested in helping us do some good, drop off donations for points through February 23rd at our build site.

Last year, R-7 Alliance donated over 180+ items!

R-7 Alliance Open House 2024

You're Invited!

Sunday, March 3rd will be our annual R7 Alliance Open House, and this year will be bigger than ever! We can't wait to see you there!

This Week @ The Shop

This week, robot assembly of the chassis and intake got underway. In addition, the finishing touches were put on our new pit, including 3D printed labels and pack-out box organization. We're getting closer to our robot debut, and things are about to get real.
