Simulator Showdown!

1/31/26 - Last Saturday, as the snow forced the Broncobots out of the shop, the team held our inaugural Simulator Showdown. Students joined alliances of 3 and competed in a bracket style competition on XRC, an online FRC competition platform.

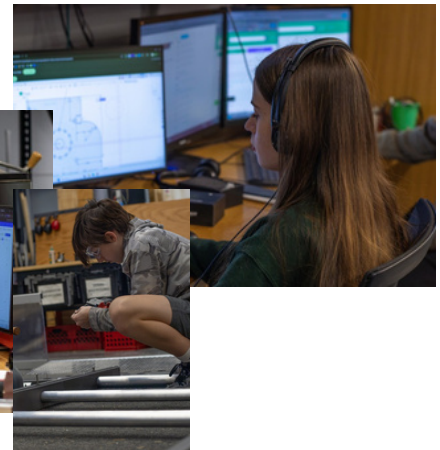

Alliances from across the region- as far as Kearney, Missouri -participated

In the end, Team Dungus of Broncobots Jackson R, Frank R, and Preston S. took home the win.

This Week @ The Shop

'Tis the season (CAD season) at the Broncobots shop. Students continued work on CADing the 2026 Rebuilt Robot. The hopper has been manufactured, and many other components have been completed in CAD. Field build has ramped up this week, with the red end of the field being completed.
