Hope House

2/28/26 - Over the last few weeks, Broncobots have been bringing in donations for our annual Hope House drive challenge. All three schools compete to see who can bring in the most items. This year, Broncobots donated over 650 items to the shelter and beat out both LSHS and LSW. A win for The Broncobots and the whole community!

This Week @ The Shop

This week, manufacturing has been in full speed as more parts are assembled for the robot. Intake assembly is in full swing, as well as prototyping for the climber.
