

The Inaugural Victory

4/18/26 - Recently, Broncobots competed at the inaugural City of Fountains Regional. Ranking first at City of Fountains, the Broncobots took home the team's second win of the season. In addition to earning a blue banner, Team 1987 received the Excellence in Engineering award, recognizing the team's incredible bot, Cyclone! With this win, 2026 has become the team's most successful season on record! With one regional left, Broncobot's 20th birthday is just getting started.

This Week @ The Shop

After finishing up at City of Fountains, Broncobots took a few days' break, and then got straight into set-up for the Greater Kansas City Regional. 2026 is shaping up to be a season like no other, and the team is ready to go for the Greater Kansas City Regional!

Calendar

- April 29-May 2: FIRST World Championships
